AGENDA

INTERAGENCY OZONE PLANNING COORDINATION

Regional Air Quality Council
1445 Market Street, Denver CO
5th Floor – Conf. Room 501
Tuesday, November 13, 2018, 10:00a - 11:30a MST

Call-in Info: Phone: Personal Matters / Ex. 6 Conf. code: Personal Matters / Ex. 6 Sec. Code: n/a

1. **2008 Ozone NAAQS (75 ppb standard)**
    a. Update on EPA proposed attainment, reclassification, and 1-year extension rule
        i. Status of SIP approvals for proposed Serious Areas
        ii. Colorado to comment re: SIP deadlines
    b. Options and schedules for reclassification and timing (Serious and Severe)
        i. Date for potential SIP submittal (and how this impacts planning timeline)
    c. Potential 179B Demonstration
        i. Status of EPA Guidance
        ii. Date for submittal to EPA and timing of review/approval
    d. Discussion of baseline years for:
        i. 2008 NAAQS Serious emission inventory
            1. RFP
            2. Attainment modeling
    e. Update on *South Coast II*

2. **2015 Ozone NAAQS (70 ppb standard)**
    a. Update on final 2015 ozone NAAQS SIP requirements rule
    b. Timing of reclassifications and SIP
    c. Marginal emission inventory
    d. Moderate emission inventory
        i. RFP
        ii. Attainment modeling
3. **Modeling**
    a. EPA would like to better understand if episodic emissions are captured in the typical ozone season day inventory used for RFP and if so, how this is done.

4. **Next Meeting**
    Tuesday, January 8, 2019 – 10:00a @ RAQC
