Good afternoon, Liana,

Thank you for your inquiry regarding our upcoming public hearing. We will be taking public comment on our rulemaking between 4pm and 8 pm, with a short break around 6 pm. The amount of time for each commenter is determined by the Hearing Officer at the time of the hearing, as it is dependent upon the number of commenters that are registered to give testimony. Unfortunately, it is not possible to set a time for your testimony prior to your arrival.

Thank you again for your interest.

Subject: Texas Regional Haze Public Hearing (Docket No. EPA-R06-OAR-2016-0611)

Hi Jennifer,

I hope you are doing well! I am planning to attend the upcoming Texas Regional Haze Public Hearing (Docket No. EPA-R06-OAR-2016-0611) on September 26th in Austin and am hoping to get some additional information before I make my travel arrangements.

First, what time period are you allowing for public comment? Is it the traditional 3 minute time limit? In addition, is it possible to set a time to testify prior to arrival? Or do I just need to put my name on the list when I arrive.

Thank you so much for your assistance!

Kind regards,
Liana
