Subject: Anacostia update/briefing

Hi, Mary Cate.

After further discussion with Michelle and looking at the calendar, I am proposing that we simply send an overall background paper to Cosmo by the end of the week to give him a bit more context on the overall Anacostia efforts before his discussion, and follow up with a more detailed briefing later. The discussion will include potential decisions on a path forward regarding the Region's role on Anacostia-related forums as well as next steps on the Trash TMDL.

We do need to get something sooner rather than later on the calendar. We have a status report due to the judge on July 1 regarding the trash TMDL, and some decisions to be made before then. The issue has a lot of pieces to it and interested parties.

If there happens to be time on the calendar the Tuesday after Memorial Day, that would be great (I know we are booked with the Corps and David Ross the following day). If it absolutely needs to get pushed to the week of the 3rd, we can do that, but sooner is better.

We will have a paper to you by Friday…

Thanks,
Cathy
