Call in: Ex. 6 conf line

EPA would like to continue discussions with Maryland and the District regarding potential next steps on the Anacostia Trash TMDL.

Agenda

* Regulatory approach of revised TMDL
  * State revised or EPA established?
* Jurisdiction recommendations for technical approach
  * Need for contractor support
  * 'Near-zero' goal
  * Updated data to revise baseline
    * Trash data
    * Precipitation data- use a different baseline year?
    * Land use- updated data since TMDL?
  * Updated reasonable assurance
* Other considerations
  * User survey
  * Stakeholder engagement via data call
* Next steps
  * Update to the court- July 2nd
  * Internal concurrence at MDE, DOEE, and EPA
