Subject: EDMS Search for LOOP

Just to be thorough…I search EDMS for any AI numbers assigned to LOOP.

LOOP LLC AI: 4634 Contains previously emails LDEQ issued Title V and PSD permits for Onshore activities

LOOP LLC AI: 50230 Only Surface Water media. Documents generally dated around 2002 for "an existing DWP (pipelines and storage facilities) for transportation of crude oil

LOOP- Clovelly Dome Storage Terminal Tank AI: 26918 An inspection was completed on 9/6/12 for Hurricane at Cut Off, LA facility show no damage; An air permit modification was issued on 2/18/2000 for Clovelly Dome Storage Terminal (Galliano), Small Boat Harbor (Leeville) and Fourchon Booster Station (Leeville)

LOOP-Clovelly Tank Project AI: 87812 Surface Water media only - Stormwater

LOOP Inc AI: 6379 Asbestos and Hazardous Waste media, Last inspection 9/4/08 in Fourchon, LA

LOOP Inc AI: 42329 Surface water and Solid Waste media only -St. James Terminal

LOOP Inc-Statewide Pipeline Operations AI: 42330 Surface water media only for Clovelly Facility (2017)

LOOP Inc AI: 6409 Hazardous waste, Asbestos and Surface Water media for Port Fourchon

LOOP Inc AI: 48638 1990 Emission Inventory documentation for Port Fourchon (onshore)

Nothing under "Louisiana Offshore Oil Port", "Deepwater", or "Marine Terminal"
