I left a message on Chris Labat's voice mail at LOOP asking that he call me back regarding a letter we will be issuing.

When you finish your meeting at 4, we can call Tim. Hopefully, I will have heard back from Labat by then.

Okay. Do you need me or Melanie?

I want to call the company first (Chris Labat) and then Tim.

I have a meeting from 3-4 pm…just checking. I assume you're just giving him a heads up of generally what the letter indicates.
