Rob is in the Multimedia Division and Bruce is in Regional Counsel. This may end up being a combination of people who have to do this work. I'll get to it later, but not now.

Hi Shirley – I did a quick search and saw in the directory that neither Bruce nor Rob is in the Multimedia Division? Did Jeff volunteer another division to answer this FOIA request?

Hi Jill – Step 1 - Rob and Bruce need to follow the instructions for Relativity which is in the control sheet. Step 2 - Also, I cannot reach out to the requester on a fee increase without knowing how much to propose to the requester. Therefore, please provide a fee increase estimate from the Multimedia Division.

Thanks,

Nancy

Nancy / Shirley,

Please see Jeff Robinson's email below, whereas he is indicating that FOIA Request #006809 will probably require Relativity search and review. Please advise further. S. Bayless is out of the office until Monday, April 23, but I wanted you to get the heads up on this FOIA request.

Thanks!

Jill and Shirley,

This FOIA will most likely require Relativity search across multiple Divisions. Water is currently working on water permits for LOOP with LDEQ. In addition, there is other work/discussions in process on the LOOP facility. The cost of this will most likely be greater than $25 on the Air side alone….don't know about the Water Division costs. FOIA folks may need to call the requestor after discussing Water Division's thoughts on cost. At this point, assume at a minimum Rob and/or Bruce (or a larger team) will screen the results of the Relativity search to determine what we can release.
