Subject: Short-term Path Forward on LOOP

On Monday, Feb 12th at 2:00 pm we have a conference call with LOOP to discuss their December 18, 2017 Memorandum that was sent to the USCG. See Attached. I am preparing my quick response notes for the issues raised in the attached letter and plan to coordinate more with Bruce tomorrow. Bruce, Rob and myself are planning to huddle together on the notes and prep for the call Monday morning -depending on Bruce and Rob's schedules. I will send you my review points tomorrow afternoon and if you see that I have left any points out please let me know. Please feel free to join in the fun as your schedule allows.

Bruce is anticipating that we will have a better idea of the path forward with LOOP after the Monday conference call. He is anticipating that after the call we will then draft a letter to LOOP. Does this sound appropriate to you?
