INSTRUCTIONS TO CARRIERS FOR EXCLUSIVE USE SHIPMENT CONTROLS
(Page 1 of 1)

Manifest Number: **TSDF-9001-001**

Container ID#: **SRRU 002075**

You are advised per these instructions to transport the items defined on the attached shipping documents under "EXCLUSIVE USE"* provisions.

* EXCLUSIVE USE (also referred to in other regulations as "sole use" or "full load") means sole use by a single consignor of a conveyance for which initial intermediate and final loading and unloading are carried out in accordance with the direction of the consignor and consignee. The consignor and the carrier must ensure that any loading or unloading is performed by personnel having radiological training and resources appropriate for safe handling of the consignment. The consignor must issue specific instructions in writing for maintenance of exclusive use shipment controls and include them with the shipping paper information provided to the carrier by the consignor.

SPECIAL REMARKS CONCERNING EXCLUSIVE USE (To be provided by shipper as may be appropriate).

[X] The transport vehicle may not be returned to service until the radiation dose rate at each accessible surface is 0.5 mrem per hour or less and there is no significant removable (non-fixed) radioactive surface contamination as specified in paragraph (a) of 49 CFR 173.443.

[ ] When transferring shipment from originating carrier, a copy of these provisions is required for each connecting carrier.*

[X] Do not load other packages on originating carrier vehicle.

[X] If the carrier needs to contact SECUR LPT, call the Operations Manager, Jim Christafano at (724) 312-6400.
