Hi LaGayla,

FYI – LOOP is a single joint permit issued with LDEQ's & EPA's name on the cover. Isaac is the EPA Permit Writer for the efforts that began ~2014 (and I was LA Coordinator/Isaac's "assistant," cheerleader, etc. ☺)

I strained my brain to come up with the list which I sent. Are the other folks sending you their ideas, too? Hoping that among everyone we can develop a complete list for you.

David Gillespie was the assigned atty., but I seem to recall that some other folks (& attys) set in from time to time. I think Sam Coleman may have received the initial call from a LOOP atty when things started getting elevated. I am sure that "I" do not know for sure all of the potential folks involved.

Stacey/Taim may know of other folks, too, because once things got "elevated," I really don't know what all was going on.

Thanks

K

Hey Kay,

Are these all the people in WQ that we need a ediscovery search on?

Hi LaGayla,

Off the top of my head, here's the folks I can think of right now. (Will send an update if I think of more.)

These are folks who worked in the Water Division and may have email records regarding LOOP …. all the way back to 2008. There have been so many "Actings" at various levels at various times.

William Honker, (David Garcia, other Actings DD's??) Claudia Hosch, Stacey Dwyer, Rob Lawrence, Richard Wooster, Brent Larsen, Denise Hamilton, Paul Kaspar, Brad Crawford, Angela Restivo, Mark Hayes, Taim Shaikh, Isaac Chen, Silvia Bogdan.

The only keyword that I can think of is **LOOP**.

Thanks

K

Compile your list of names and key words to LaGayla Johnson and she will forward to Leticia Lane who will forward to HQ!

Thank you!

I talked to Rob Lawrence and discussed with him pursuant to my conversation with David Gillespie about utilizing Relativity (e-discovery team) for any and all emails (includes Lotus Notes) as the request includes communications from 2008 to present.

We will have to compile a list of people and key words involved in the Water Division for LOOP to send to HQ for the e-discovery team. I am not sure who forwards this list to HQ.

As it takes 4-6 weeks to complete and the emails still have to be reviewed once they are returned, we want to get a "head start" on this compilation of names and key words. Requests for extensions on FOIAs do not include the e-discovery team.

Thank you!
