Greg,

Could we get the Lowerline Assessment TDD (0001/19-227) extended to same date as the removal? Would make it 10/31/19. It is currently due at the end of the month.

Hadwin went down to meet with the Las Vegas Crew and George. Gave them an orientation and got them set up with ER. They said they would be fine on their own for the rest of the week. The Vegas crew thought it should only take a few days.

Thanks
David
