Okie dokie - FYI, for the LOOP meeting, Stacey has stated that any staff attending the meeting will only be in listening mode. We are not to interject at all (same rule applies to me). If a question is posed to EPA, it will be up to Stacey and/or Bill to respond.

Glad to know you are safe and not floating around in contaminated muck.

Hi Rich,

I apologize for not keeping you in the loop. It looks like I will be staying in town. I plan on coming up to 11 for the LOOP meeting today as well as the Program managers planning meeting tomorrow. I'll try to keep the fires burning.

Thanks so much.

Taim.

That's fine - I just have not been kept informed as to your status, so when I did not see you Friday afternoon or this morning, I've was left wondering whether you were deployed or not.

Good morning Rich,

I am in the REOC and just got out of the command and general staff meeting. What can I do for you?
