Subject: Call - EPA/NMFS - ESA re: LOOP

Hi Mike –

I wanted to follow-up with you to see if we might be able to coordinate a call next week to discuss the LOOP discharges and the turtles and habitats. As of now it looks like Tuesday might be the best day for us. We are trying to schedule a call with LOOP on Wednesday to discuss everything, but that is still being worked out.

Let me know if Tuesday can work on your end.

Thanks,

Tina
