Subject: Washington PQR Report - Draft for State Review
Attachments: EPA Cover Letter_Draft Ecology PQR Report_01-17-17.pdf; NPDES PQR Washington 1-17-17_Ecology Draft.docx; PQR Checklist_Excel Version_WA_1-17-17.xlsx

Please find attached the cover letter and draft PQR report for Ecology's and EFSEC's review. (My apologies, but for simplicity, the cover letter is addressed only to Bill.) I have also provided the PQR Checklist_Excel Workbook that includes the individual PQR checklists and data summaries used to document and support the report and findings. I look forward to discussing the report with you. We can discuss options for the method of providing your comments and feedback as that time. I have attached the report in a Word (.docx) format should you prefer to insert your comments and edits as markups to the draft report. If you choose to provide comments and edits as markups, I ask that all agency comments be on a single copy to be returned to EPA. Your comments are requested by Tuesday, February 21, 2017.

Please let me know if you have any questions. Sincerely, Karen

KAREN BURGESS, P.E.
