| Station Description | Domestic Water | Primary Human |
|---|---|---|
| San Juan River near NM/CO border at the Four Corners | Dom | PrHC |
| San Juan River near bridge at Montezuma Creek | Dom | PrHC |
| San Juan River at US 191 bridge near Bluff | Dom | PrHC |
| Chaco River, at N36 | | |
| Chaco River, ~0.5 mi u/s of N36 bridge | | |
| Chaco River near Tuscon Electric power line (APS) | | |
| Chaco River, at N5 | | |
| Chinde Wash, at Co Rd 3005 crossing (d/s); next to BHP monitoring site | | |
| Chinde Wash, near APS power plant near El Paso gas line | | |
| Morgan Lake WQ sample location on west end of lake | | PrHC |
| Morgan Lake WQ sample location on east end of lake | | PrHC |
| Morgan Lake fecal sample location on southeast end of lake | | PrHC |
| Morgan Lake fecal sample location on northeast end of lake | | PrHC |
| Morgan Lake fecal sample location on northwest end of lake | | PrHC |
| Seep along bank of Chaco River near the southwest end of the APS ash ponds | | |
| Between BHP and APS | | |
| At old crossing in tributary approximately 1.5 miles below Morgan Lake dam | | |
| Samples collected 15 m upstream of washed out road crossing | | |
| d/s from N365, near mouth of wash | | |
| San Juan River @ the bottom of the Hogback fish passage | Dom | PrHC |
| San Juan River near Canal Creek | Dom | PrHC |
| San Juan River upstream from Shiprock WWTF | Dom | PrHC |
| San Juan River downstream from Shiprock WWTF | Dom | PrHC |
