Subject: Third Party Certification for Navigator Stove Works Model NSW1
Attachments: Navigator Stove Works LLC NSW1 EPA submittal Letter 5-12-2016.pdf; removed.txt

Dear Mr . Sanchez,

Attached is the report package and submittal letter for Navigator Stove Works Ltd. Model NSW1.

As indicated in the documents with this report , the NSW1 had previously been reviewed and accepted by your office, letter dated Feb.10,2016, so the attached information is for PFS Corporation to be the Third Party Certifier and we will be conducting the annual audit visits to confirm compliance with these requirements.

Should there be any questions please feel free to contact us,

Best Regards,

Wayne Terpstra
Director of Quality and Heath Products
PFS Corporation
