Subject: RE: Petition For Revision of Alaska's Fish Consumption Rate

Hi Corey and Pete,
Just wanted to follow-up to see if you had any thoughts on responding to these petitions. Thanks.

Hi Erica and Claudia,
Angela asked me to follow up with you on this recent petition. It came to us as a CMS, but we were reminded of other petitions that we have not responded to. Do you know if "official" petitions need to be sent to the Administrator? The Alaska petition is sent to Dennis – but we're not sure if that makes a difference.

If this doesn't need to get routed through HQ and we just respond regionally as a CMS, our initial thinking **DPP / Ex. 5**

Deliberative Process / Ex. 5

Angela also asked me to check in with you on the NWEA petition on WA aquatic life from this August, which I've attached. She was thinking Deliberative Process / Ex. 5

Deliberative Process / Ex. 5

Thoughts? Thanks,

Matthew Szelag | Water Quality Standards Coordinator
