Subject: Brief summary of the Hawaii Title VI complaint for your information.
Attachments: Hawaii Title VI brief.docx

Mary and Patti prepared this document for your information. It provides a brief description of where the Hawaii Title VI action stands. Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) Amy Miller and the Regional Administrator plan to be in Hawaii next week but intend to focus their visit on needs related to the eruption of the volcano. Amy has been deeply involved in the Title VI case and has not asked for any materials. This is just FYI. We see nothing on the horizon in the near future. We can talk when you are back I the office.
