All,

I have attached a draft framework for our portion of the Informal Resolution Agreement. It is very basic right now and more details are needed, but this is a start.

Please review and submit your comments and edits by next b. I told ECRCO that I would give them a final copy by Friday, Nov. 17.

Thanks!
Desean

I'll take the first crack at it and send it to the rest of you all for review and comment. And once we get a document we are comfortable with I can send it over to ECRCO.
