I spoke with Mary O'Lone earlier today and she is coordinating with her summer law clerk on the merits of ADC's position. She will review the materials that I sent her and get back to me early next week.

Subject: Update on Title VI Complaint against HDOA

Deborah:

I wanted to update you on the Title VI Complaint against Hawaii Department of Agriculture. We will be having a call with the complainant Earthjustice tomorrow. We expect to talk to them about the process as well as get into the substance of the complaint. I am keen to discuss what remedies they envision would resolve the complaint.

Internally, there are two areas we are researching into more detail:

Ex. 5 AC/DP

After the call with Earthjustice, ERECO will set up a call with HDOA and the Agribusiness Development Corporation.

Let me know if you have any questions
