Hi Kurt-

I have reviewed and updated the draft Hawaii letter. Please note that I have a couple of comments in there that I would like for you to take a look at or be aware of. Since this document is going to remain in draft, will you send it to Lilian electronically after? Ex. 5 Deliberative Process (DP)

Hi Brittany,

Please see attached comments on the acceptance letter. Ex. 5 AC/DP

Ex. 5 AC/DP

If ECRCO has strong reservations with any of CRFLO's suggestions, go ahead and set up a meeting so we can all discuss in person.

Best,
--Adam

Hi Adam-

As a heads up, I have been informed by Lilian that she would like to get the draft letters to USDA this week. I understand that you met with folks last week to discuss this complaint. I wanted to check in with you to see if you think it would be a good idea to schedule a meeting with both of our offices. Let me know what you think and if so, who I should include on the invite from your office.

Hi Brittany,

I have a meeting today at 3:00 to talk about this case. I should have a response about next steps shortly thereafter.

Yesterday I just finished up a project with a pressing deadline. Sorry I haven't been able to turn my full attention toward this. It's also been hard to catch other CRFLO attorneys (who have also had a number of pressing deadlines recently).

Talk soon,
--Adam

P.S. I heard you got engaged. Congrats!

Hi Adam-

I received an email from Region 9 checking on status of the letters. Please let me know if you need any additional information from me or if you think it would be a good idea for me to set up a meeting with everyone to discuss the ADC issue.
