Subject: Possible questions for HDOA interview - Title VI

Patti,
Here are a few questions that I thought we could share with Brittany. Once you've had a chance to add your thoughts, I'll send to Amy for her review/suggestions.
Thanks,
Mary

Amy,
Brittany asked us to provide some possible questions for the planned interviews with HDOA staff. (Delanie suggested that OCR speak with Tory and Ann.) Here are some thoughts from Patti and me. Please have a look and feel free to add any questions.
