Hi all-

Please see the attached draft Case Management Plan (CMP). I will check calendars for next week to see if we can begin discussions about reaching out to the complainant and the recipients regarding informal resolution options.

Let me know if you have any questions or comments/edits to the CMP.

> Good morning all-

As you all know the Hawaii Title VI complaints were formally accepted for investigation on 3/9. I want to let you know that I am currently drafting the case management plan and a timeline. I plan to share those documents with the group and then will schedule a meeting to discuss any comments or reactions. (I am trying to get the document to the group by the end of the week). The most immediate item on the timeline would be to schedule calls with the recipients and the complainants to discuss informal resolution options.

Let me know if you have any questions.
