Subject: RE: NSPS Subpart OOOO and OOOOa Affected Facilities

Thank you for the information Steve!

I had tried to email you the shredder stack test reports, but received an email that it was undeliverable. It didn't have an explanation, but I assume that the attachments in the email were too large. I am working to get the information to you.

Regards,

Todd Russo

Subject: NSPS Subpart OOOO and OOOOa Affected Facilities

Hi Todd,

In our telephone conversation on July 25, 2019, you requested a list of all facilities in North Carolina that are subject to either NSPS Subpart OOOO or OOOOa. Below are the results of a facility database search showing that we have four active facilities in North Carolina subject to Subpart OOOOa and none subject to OOOO. It is possible that we have additional subject facilities that are not yet properly coded in our database, but I wouldn't expect there to be many beyond the list below.

Region	Facility Name	Fac ID	Permit/Rev	Class/Status	Address	City/Town and Zip Code	County	Status	P
FRO	Piedmont Natural Gas - Lumberton Facility	7800230	10094/R05	Syn. Minor	3012 Singletary Church Rd.	Lumberton / 28358	Robeson	Operating	N
MRO	PSNC - Kings Mountain Compressor Station	2300395	10561/R00	Small	247 Battleground Road	Kings Mountain / 28056	Cleveland	Operating	N
RRO	Northampton Compressor Station	6600169	10466/R00	Small	718 Forest Road	Pleasant Hill / 27866	Northampton	Operating	N

WSRO	Transcontinental Gas Pipe Line Company, LLC	2900300	10589/R00	Small	650 Becky Hill Road	Lexington / 27295	Davidson	Operating	N

Let me know if you need any additional information on these facilities.

Steve
