Hmmm. Do you think I should give Rob a head's up on this? Our water division would have an independent review of the 401 cert outside of the NEPA context, right?

Subject: time to talk Fri?

Jason,
Been a busy week, but I'd like to chat Friday for a few minutes about Federal pre-meeting coordination.

Also, we received the attached letter yesterday. Interesting that it was not cc'ed to Region 9, but I thought you should have it in case you haven't seen it.
