Call to Kathy Arnold - Rosemont
- Voice mail message left

→ Kathy Arnold
- Cat 2600 HP haul trucks
- Cat to meet standards according to
- Tier 2 vs Tier 3 standard
- nearest power plant to Rosemont is coal and diesel, not not gas

→ look into 2003 emission factors used for on road emissions

→ How does PSD PM increment really apply to Rosemont as a minor source, "Class 2" emitter?
