Artificial Penetration No. 776

Little Six Oil Co.
Oscar Chesson #1

Form 1 Revised

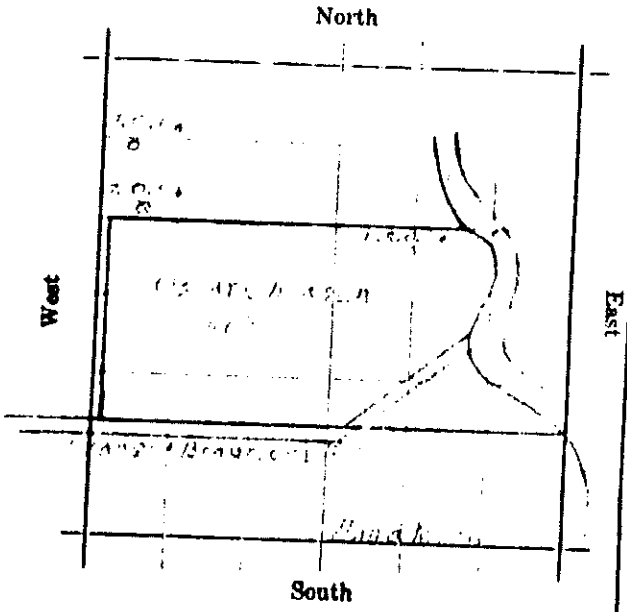
1521-819-5M

NOTIFICATION OF INTENTION TO DRILL, DEEPEN, PLUG OR SHOOT

(To comply with Orders of the Railroad Commission of Texas, governing Oil and Gas Operations in Texas.)

DESCRIPTION OF PROPERTY:

In order that the well covered by this notice may be definitely and accurately located on maps in the office of the Commission, draw in the space below, in ink, an outline sketch of the State Survey or grant, or city block and lot, giving name and number, and indicate thereon the **exact location** of the well. Also show the distance, in feet, of the well from the two nearest boundaries of the lease, giving names and numbers of the survey, block or lot of the adjoining lease or property owners in these directions.



Important Notice.—This notice must be mailed at least five days before drilling or deepening is begun, or two days before plugging or shooting; and in case of plugging, must be accompanied by a complete log of well on forms prescribed by the Commission.
