Janet caught a correction. Thank you Janet. I apologize for the inconvenience. The correction is below - adding "assert" to first sentence in the fourth paragraph.

She also suggested that we use a consistent email header as the FOIA number is meaningless to the report submitter.

I suggest "Information Request for Certain Reports under NSPS OOOOa" but I am not wedded to this if someone has a better Subject line.

I have re-attached the incoming FOIA for your convenience.
