Rosemarie:

Will you please build in some time during next week's OCE Weekly for Susan to discuss the O&G enforcement white paper with the team? We'll want XPS there and the region will want to participate, I'm sure.

I'm attaching a redline version of the white paper, which reflects the changes that Susan and Larry suggested. After the OCE Weekly conversation, we'll be prepared to send this on to Bruce Gelber for his thoughts.

Thanks,
Patrick
