Hi John -

You can download it from the BLM website. It is too large to email, but the EPA can download it from there as well.

If you go to BLM's ePlanning page for the Ambler Road project, and then go to the Documents link, the PWD is at the very bottom of their Documents page and consists of 5 files.

I think you can get to the ePlanning page if you google: ePlanning BLM Ambler Road

Let me know if you have problems getting it from there.

Hi Maryellen,

I got a call from EPA today requesting the Jurisdictional determination report for the Ambler Road 404 permit application. Is there a wetlands/waters jurisidictional report (s) available I can email her from the 404 permit application? I believe it's in one of the appendices that I don't have in my file.

Her name is Annie Whitley and email address is Whitley.Annie@epa.gov

Thanks!
