Telephone conversation
w/ John Kallock
Plant Mgr
Montrose Chem — Torrance
(213) 775-2565

I asked John whether Montrose Chem was still producing DDT — "NO"

Grinding DDT? — "NO"

Dichlorobenzil — "No," (Henderson NV)

Entire operation ceased in August 1982
Last grinding in Aug 82
(Company ran out of all raw materials on hand)
Responded to State for closure (tanks, etc)

Montrose is now dismantling equipment.
Bare land will revert to owner
(Stauffer Chem.)

Jones Chem will remain (they purchased land around 1965)
