Thank you, Blake. I plan on attending the event, as well. I spoke with Jeffrey Harvey, Director of Public Policy, GA Farm Bureau, about tomorrow's event. Jeffrey was able to provide some details on the event.

- GA Farm Bureau believes tomorrow's event is to create buzz about the upcoming Federal Register publication of the revised WOTUS Rule, anticipated to be published next week.
- HQs advised GA Farm Bureau that the 2019 Regulatory agenda and Clean Water Rule/WOTUS would be the topics for the event.
- Augusta location was preselected by HQs. McCorkle Nursery was selected by the Farm Bureau as the event location due to Mr. McCorkle being on the state board.
- Agencies/Companies/Organizations invited:
    - SC Farm Bureau
    - GA Department of Agriculture
    - GA EPD
    - GA Forestry Commission
    - Department of Natural Resources
    - GA Power

- Oglethorpe Power
- Southern Company
- Local Leadership- Jefferson EMC
- SC Farm Bureau
- GA Farm Bureau President, Gerald Long and his staff, district presidents and members.

*GA Farm Bureau would like to have 100 people in attendance.

Venue set up will be outdoors (weather permitting) with a backdrop of the nursery.
Preliminary plan is to have a horseshoe set-up for dignitaries, of which Mary is included, to be on a 'panel.'

My personal cell number is Ex. 6 Personal Privacy (PP) Work cell number is 404-754-7279.

Thank you,
