Subject: RE: SJV SIP submittal withdrawals

Got it. I will follow up with Kurt next week when I am back to the office (in El Monte today).

Dave,

I asked Elizabeth and she hasn't seen an email yet, nor have I. We'll be on the lookout. Thank you for the update.

Likely, or it may come from Kurt after he had a chance to discuss with Richard.

Thanks so much, Dave. I'll check. Would the email be from Richard to our Regional Administrator, presumably copying Elizabeth and others?

Thanks!

Matt

Hi Matt,
I wanted to follow up on this request. We sent a draft email to our Executive Management last week. Please let me know if you have received it or not.

Hi Dave,

I got an out of office message for Michael through July 22. This isn't too urgent, but I'm forwarding to you just in case you know anything.

Thanks,
Matt

Subject: SJV SIP submittal withdrawals

Hi Michael,

I wanted to follow-up on the conversation I had with Kurt (here in SF) and then subsequently with you re: the withdrawal of the SJV SIP submittals. As we discussed, the "superceding" language in the letter we got 1-2 months ago wasn't what we needed for withdrawing the 6/25/15 and 8/13/15 submittals for the SJV PM2.5 plan (1997

standard). Kurt asked whether a simple email from Richard in follow-up to that letter, asking for withdrawal, would work and we confirmed that it would. So I think we are just waiting on the email from Richard. Is that your understanding as well? Did you need anything in terms of sample language? Were you going to package it with the Ventura withdrawals or anything like that?

Thank you,
Matt
