Adam – in this release, since it is so meaty, we thought we would reiterate air monitoring in the next news release as well as at Media Availability this afternoon. You ok with that?

As for your assessment questions, are you referencing CTEH or the claims process?

Thank you,

Haley,
I hit send to soon.

Should we also distinguish if the assessments will be indoors and outdoors or just outdoors?
Should fenceline be two words, fence line?

Thanks
Adam
