All comments are considered equally. EPA will place all comments and a summary of EPA's response to the comments in EPA's Administrative Record for the Quendall Terminals Superfund Site.

Documents are available for review:

Cleanup alternatives are described in detail in the Proposed Plans for Quendall Terminals. Our fact sheet summarizes our preferred alternatives. The proposed plans, fact sheet, supporting documents, and site information are available on EPA's Quendall Terminals Site Page: www.epa.gov/superfund/quendall-terminals
