Subject: Re: AR workgroup call - steering committee report outs

Good Morning do you have the jobs info graphic? We haven't shared this with the education workgroup yet and may want to let them see it before the larger group.
Thoughts?

Hi Education and Outreach workgroup,

We should have an agenda out shortly for this afternoon's call, but I wanted to make sure you all were aware we're going ask steering committees to do a short report-out on your progress with the various AR products on this afternoon's call.

We'll have a Skype link available if you'd like to show anything to the workgroup or you can just talk through the infographic.

Let me know if you have any questions.
