Subject: RE: Follow up from Advisory Committee meeting and Doodle Poll

Hi Aron and Deb,
I am requesting a few extra days to get comments back to you on the authorizing provision and MDV language. Many HQ folks have been out and most are spending the week at the WQS academy training in CA, which has made review difficult. I am hopeful that we will have comments to you by Wed of next week, but it should be no later than Friday. Sorry for the delay!

Subject: Follow up from Advisory Committee meeting and Doodle Poll

Willamette Basin MDV Advisory Committee meeting:

Thanks for a very productive meeting on Monday. I appreciate the constructive feedback. A few follow ups:

1. As discussed, I would like any feedback on the draft rule language and the LCA/effluent limit approach by Monday, June 24, and any feedback on the Fiscal Impact Statement by Friday, June 28.
2. I have attached a meeting summary. Please provide any feedback on the summary, also by Monday, June 24.
3. I have created a Doodle for our next, and last, Advisory Committee meeting to discuss the full variance document and any changes that we make to the rule language or variance approach between now and then.

Here is the Doodle: https://doodle.com/poll/acgcbt4x8yxzp9b5. Please try to fill this out within the next week and we'll finalize a time.

I will be away from the office for the next two weeks, so please make sure to send any comments or questions to Debra Sturdevant (sturdevant.debra@deq.state.or.us, 503-229-6691) during this time and cc me on any e-mails.

Sincerely,
