Molly/ Michelle –

Chico at Warm Springs asked me today on the Order check in call why these were still showing up in qrtly report because he thought they've done all the work. Looking on the share drive, I see three sig defs that were flagged in 2017 CAP. Can program verify what is left open/ what you need info for? Am I looking in the right place?

G:\Baker\Water and Watersheds\Drinking Water Unit\Tribal\Tribes\Warm Springs Confederated Tribes\SIDWALTER\CorrectiveActionPlans\2017

Thanks.
