You are invited
to an

Arkwood, Inc., Superfund Site Information Workshop

Thursday, February 7, 1991
4:00 to 7:30 p.m.
at the
Omaha Public School
in
Omaha, Arkansas

You are invited to learn more about the incineration process planned for the Arkwood, Inc., Superfund site. At this workshop, U.S. Environmental Protection Agency (EPA) representatives will be available to answer questions and explain current plans for the site. **This is not a formal public meeting.** A short video tape about the incineration process will be shown at 4:30, 5:30, and 6:30. You will also have the opportunity to talk directly with EPA representatives in an informal setting. We welcome your participation.
