Subject: Preliminary draft 401 cert requests for Grand Coulee Dam

Hi Todd and Ellie,
I just submitted the pre-draft Grand Coulee Dam permit and Fact Sheet for signature and will send you the signed letters once I have copies – hopefully on Friday. In the meanwhile, here are the pre-draft permit and fact sheet for your consideration for the draft 401 certifications. We are asking that this not be widely shared as this is not the public comment draft. I'm looking forward to talking with each of you on this permit.
