Carlos - Kent is working on San Jacinto for me; they have had a lot of input on the river hydrology, and I expect that they will be very helpful on the FS, which is expected this spring/summer.

Thanks,

Gary Miller

Please let me know by COB today (1/25/13), the sites that Ken (and USGS) is helping you with and if you plan to continue using him (USGS) in FY2013. Thanks CAS
