Hello Jennifer and Nancy,

I am reaching out to you about the issue of Pb modeling and coordination within EPA and am seeking your support as co-chairs of a Breakthrough Project (aka "A3") for evaluating various multi-media models and approaches for EPA Pb decisions.

If I have missed something or misunderstood the Administrator's ask or if there are different ways to approach this, please let me know. I am happy to accommodate changes and suggestions.

Please let me know if you have any questions. I look forward to hearing from you, and thank you for your support!

Best regards,
Hayley
