Brenda,

Please look at the boundary lines on the attached map and let me know if all parts of the Site, i.e., all three pits, are located:

1. Inside the yellow boundary lines for the 110.2759 acre tract of land, and
2. South of the blue southern boundary line for the 19.813 acre parcel of land, and
3. East of the green eastern boundary line for the 1.322 acre parcel of land.
