Subject: DuPont LaPorte [Daily Update - 11.17.14]

Do I need to include anyone else in the email updates? Thanks.

As part of stabilizing the incident site, there will be a (b) (4) [redacted]. This is being done to remove the (b) (4) [redacted] Based on the PHA results, a detailed temporary operating procedure has been drafted and approved. The transfer will begin once operators are properly trained on the procedures. Will provide another update at the end of the day.

Thanks.
