Subject: Notification of Jurisdiction for MTP Resources Spill.

Information for File: I informed Mr. Eickel that we were going to send Mike Ward of MTP Resources a notification that the spill that occurred from the MTP Resources pipeline is under the jurisdiction of the TNRCC based on analyses of samples collected at the spill site. Mr. Eickel agreed that based on our conversation and sample analyses indicated the presence of substances other than crude oil that the spill would belong under TNRCC jurisdiction.

I also notified Jay Veseka of the GLO who was the other investigator at the spill.
