Hi AJ:

Thank you for sending this e-mail.

We are good for May 4 at 9:00 AM and thinking that we should start at the same time for May 5 - 9:00 AM. I will send you a list of documents that I would like to review during those days by next week. Additional areas I would like to cover while I am at Central Sands Dairy discuss the well sampling that takes place at your facility and doing a production area walk-around, which may also include walking around land application fields.

I will provide a more detailed agenda later next week.

Thank you again.

If you have any question for me my information is below.

Sincerely,

Cheryl Burdett
