Hi Joe:

Actually, it will be the checklist, production area walk-around and possibly field inspections on the 21st and file review on the 22nd.

I have spoken with David Crass, CSD Attorney, yesterday June 12 and let him know who from EPA would be attending and who I thought from WDNR would be coming as well. I included Laura Chern, WDNR, you, and Laura's Supervisor, Bruce, but I am not sure who else may want to attend. I need to contact Mr. Crass and update the list with Gretchen, WDNR, and whomever else you believe from WDNR will be attending.

Sincerely,

Cheryl Burdett

Hi Cheryl,

I will look into this today and see if I have any of this information. I also have a request out to staff to see who will be participating in the CSD inspections with EPA on the 20th through the 22nd. Do you have an agenda for each day of the inspections? For example, 20th file review, 21st well sampling, 22nd field inspections, etc.

Thanks,
Joe
