This is the latest draft MOU. The counties will likely send it to the coalition very soon.

Subject: FW: Revised Draft MOU

Counsel,

In light of the letter we received from AGC yesterday morning, we have made proposed edits to the MOU to reflect AGC's statement that the Coalition intends to retain a third-party testing service to perform testing of the wells in the agricultural corridor.

DNR believes the retention of a third party service is a positive step and these edits to the MOU reflecting that step will lead to a more productive conversation with AGC. The attached draft also includes the minor edits that EPA proposed yesterday.

Please feel free to call me this morning or you can reach Jim Zellmer at (608) 267-7651 to discuss these proposed changes.

Cheryl
