Subject: Latest Proposed MOU

Hi Chuck,

Attached is the reworked draft of the proposed MOU, taking into account those things discussed in your conversation with Matt and your voicemail at my office.

We will not send this to AGC until right after our conference call today (and you have had a prior opportunity to review it). We can tell them about it and delineate its salient provisions, which simply track the EPA's concerns that are in fact also the counties' concerns. We can try to use our current draft of the proposed MOU from then on as the focus for our discussions – or as the vehicle for finding out that, actually, cooperative voluntary agreements are not possible.

Hope to talk to you before the 1:00 call, if possible.

David
