Elizabeth: We will have our comments to you by Wednesday. Mike is back on Tuesday, which will give him time to finalize them. If he has more questions or wants to request a meeting, that would be on Tuesday of Wednesday. Thanks. Julie

Thank you Elizabeth. Thank you for you offer to discuss. We may need to have a discussion about our comments prior to submitting them, but will have more of an idea after tomorrow.

Mike and Julie, this is the last set of comments that I have currently. Once EPA receives the Nez Perce comments, I plan to send out another draft of the SOW. I am assuming that the Nez Perce is ok with me sharing its comments with the parties to the negotiations once I receive them. Is that correct? I am happy to talk to you before or after we receive the comments. Please feel free to contact me.

Elizabeth
